

1. Histology Microslide Sets

A range of the highest quality slide sets. Individually prepared by hand in the UK using the highest quality stains.

Histology set 1 (BB1100):

- Squamous epithelium
- Pseudostr. ciliated col. epithelium
- Simple columnar epithelium
- Adipose tissue
- Compact (hard) bone, T.S.
- Striated muscle, L.S.
- Non-striated muscle
- Cardiac muscle, L.S.
- Nerve cells
- Effector nerve endings
- Spinal cord
- Aorta, dist. artery and vein
- Human blood
- Small intestine, injected
- Stomach
- Duodenum
- Small intestine, P.A.S.
- Liver of pig, V.S.
- Pancreas
- Lung - elastin
- Human scalp, V.S.
- Kidney, V.S. P.A.S.
- Ovary, T.S.
- Testis, rat

Histology set 2 (BB1102):

- Ciliated epithelium
- Areolar connective tissue
- Hyaline cartilage
- White fibrocartilage
- Compact (hard) bone, L.S.
- Striated muscle, T.S.
- Periph. nerve, T.S. myelin
- Cerebral cortex of rat
- Pituitary, V.L.S.
- Entire heart
- Liver, injected
- Lung
- Lymph node
- Adrenal (suprarenal) gland
- Thyroid gland
- Tooth, in situ
- Colon, T.S.
- Nasal septum
- Trachea, T.S.
- Human plantar skin
- Kidney, L.S.
- Ureter
- Human spermatozoa
- Penis
- Cochlea

Histology set 3 (BB1104):

- Cuboidal epithelium
- Ciliated epithelium
- Stratif. squamous epithelium
- Transitional epithelium
- White fibrous connective tissue
- Yellow elastic connective tissue
- Developing foetal phalanges
- Joint articulated of bones
- Red bone marrow
- Cerebellum of rat
- Medulla oblongata
- Spleen
- Thymus gland
- Tooth, developing
- Tongue
- Sublingual salivary gland
- Cardiac stomach
- Fundic stomach
- Pyloric stomach
- Human appendix
- Recto-anal junction
- Vagina
- Pregnant uterus of rabbit
- Mammary gland, quiescent

Code	Description	Pack	Price
BB1100	Histology set 1	Each	£156.77
BB1102	Histology set 2	Each	£173.00
BB1104	Histology set 3	Each	£138.18
