2. Broken Bones X-Ray

Real x-rays of broken bones reveal a detailed look at common breaks to a variety of human bones. Holding the x-rays up to the light or use them on a light table, making a fun science activity for students. An informative guide is included. 15 x-rays.

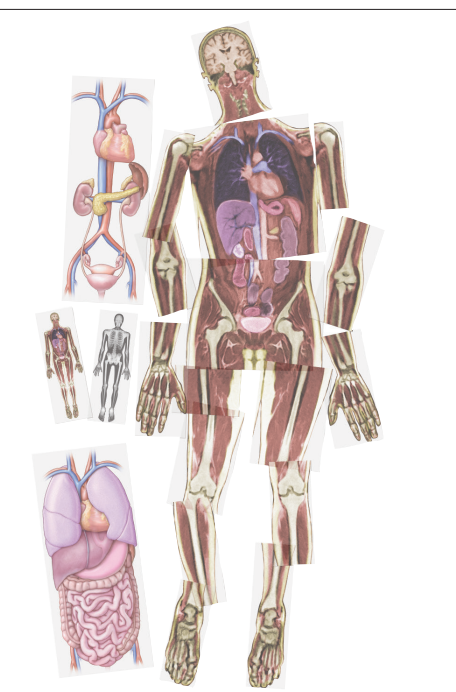

Code	Pack	Price
SE1012	Each	£43.35

3. Full Body Coloured MRI

Look inside the human body with full sized, colourful MRI scans! Use a light table, flash light or hold the clear plastic sheets up to a window to reveal crystal clear details. The kit includes a full scan of the entire body, along with two overlays revealing more details of internal organs. Place both overlays onto the body scan. Rich and detailed images help students understand anatomy. Includes a comprehensive guide focusing on important bones and organs in the body. True to life human images. Includes: 1 full body MRI scan 5' (1.5m), 2 body organ overlays and guide.

Code	Pack	Price
SE1016	Each	£43.05
