1. Molymod Biochemistry Student Set

72 atoms supplied in one 4-compartment box.

Contains:
25 hydrogen, 21 carbon, 13 oxygen, 11 nitrogen, 1 sulphur, 1 phosphorus. Links: 40 medium grey.

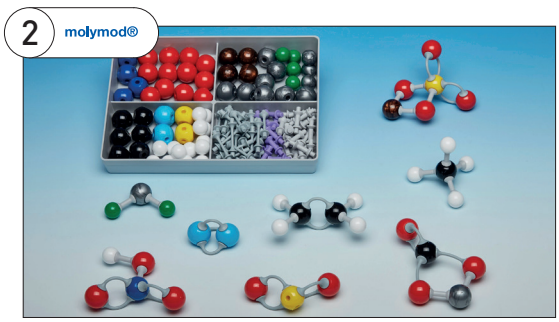

Code	Pack	Price
MMS010	Each	£20.13

2. Molymod Key Stage 3 Chemistry Set

This molymod® set contains a total of 66 atoms and includes the following non metal elements from the periodic table: 14 hydrogen, 12 oxygen, 6 nitrogen, 6 carbon, 2 sulphur, the group 7 halogen elements of: 2 fluorine, 4 chlorine, 2 bromine, 2 iodine and the following metals: 4 grey metal 1 hole (K, Na), 4 grey metal 2 hole (Mg, Ca, Zn, Fe), 4 copper 2 hole (Cu) and 4 grey metal 3 hole (Fe, Al). 20 grey single connectors, 40 grey multiple connection links, and 10 purple.

Code	Pack	Price
SEL8012	Each	£18.00

3. Molymod Polypeptide Molecular Model Kit

404-013 and 404-094: Compact models with 15 peptide units - semi space filling, the hydrogens are supplied in the 'mushroom cap' style.

401-095: Polypeptide model with a 5 peptide sequence.

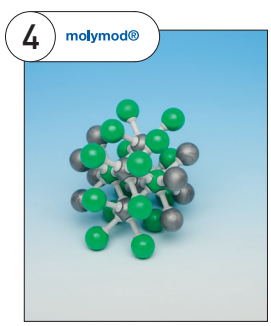

Code	Description	Pack	Price
404-013	Alpha-helix kit	Each	£23.10
401-094	Beta pleated sheet kit	Each	£24.88
401-095	Polypeptide kit	Each	£8.86

4. Molymod Molecular Model Kits

The original dual-scale, quality system of molecular and atomic models.

Code	Description	Pack	Price
MKO12727	Sodium chloride	Each	£13.62
MKO10030	Diamond	Each	£10.12
MKO10145	Graphite (3 layers)	Each	£15.34
MKO10260	Buckminster fullerene	Each	£15.86
MKO12326	ICE 26 water units	Each	£15.09

5. Molymod Molecular Model Kit

Code	Description	Supplied with	Pack	Price
MMS020	PVC polyvinyl chloride	10 carbon, 10 hydrogen, 5 chlorine	Each	£7.55
MMS022	Polypropylene	40 atom parts, links & tool to build section of PP	Each	£9.79
MMS024	Benzene C_6H_6 hybridised	Molecular orbital model of benzene hybridised	Each	£18.28
MMS026	Benzene C_6H_6 unhybridised	Molecular orbital model of benzene unhybridised	Each	£13.62
MMS028	Terylene polyester	44 atom parts, links & tool to build a section of the PET	Each	£10.88
MMS030	Polystyrene	48 atom parts, links & tool to build a section of the PS	Each	£12.54
MMS032	Nylon 6.6	76 atom parts, links & tool to build a section of the PA	Each	£17.13
