

## 1. V-Hub Smart Sensor Links

Make your sensors wireless! The V-Hub sensor link is small and light. It can be mounted on a retort stand along with the experiment apparatus using the supplied mounting rod or directly to the dynamics system using the dynamics extension kit.

With a built-in rechargeable battery, V-Hub powers all of the sensors for a whole class day. Furthermore classroom management is simplified as only the V-Hub needs to be charged at the end of the day. V-Hub only shows your connection information. Sensor information and data capture are all taken care of in the latest version of the EasySense2 software.

V-Hub is available in two versions, V-Hub<sup>4</sup> or V-Hub<sup>8</sup>, the latter features 4 built-in sensors which are light, humidity, pressure and sound. Our convenient five pack solution also includes 5 V-Hub data loggers with integral USB charging system and a Grattells storage tray.

Single V-Hub pack includes:

- 1x V-Hub<sup>4</sup>/V-Hub<sup>8</sup> interface (USB and Bluetooth)
- 1x mini USB cable
- 2x short SmartQ sensor cables
- 2x long SmartQ sensor cables
- 1x mounting rod
- Free download of the full EasySense cross-platform science software

Code	Description	Pack	Price
LOG1062	V-Hub <sup>4</sup> USB + Bluetooth	Each	£165.00
LOG1064	5x V-Hub <sup>4</sup> USB + Bluetooth + charging tray	Each	£825.00
LOG1066	V-Hub <sup>8</sup> USB + Bluetooth	Each	£219.00
LOG1068	5x V-Hub <sup>8</sup> USB + Bluetooth + charging tray	Each	£1095.00
LOG1092	5x V-Hub charging tray	Each	£85.00

## Scientific Laboratory Supplies Ltd

SLS Select Education is brought to you by the UK's largest independent supplier of scientific products.
