1. CR25 CF Resistors

CR25 high stability carbon film resistors, suitable for industrial and consumer applications. Supplied taped and reeled on 5mm spacing. Conformal multi-coating, resistant to solvents as per MIL-STD-202E-215. EIA standard colour coding. Meets or exceeds EIA-RS-196A, JIS-C-6402 & IEC-115.

- Temperature range: -25 to +70°C
- Wattage: 0.25W
- E12 resistance range: 1Ω - 10MΩ, 0Ω (zero-ohm link)
- Max. working voltage: 300V
- Max. overload voltage: 600V
- Body dims. (l x d): 6.5 x 2.5mm
- Lead dims. (l x d): 28 x 0.6mm
- RoHS compliant
