1 S·A·T·Z 1 YEAR

1. SATZ Digital DC Ammeter and Voltmeter

- Resolution: 0.01A / V
- Range: 0 - 10A D.C. / 0 - 20V D.C.
- Purpose built for schools
- Super strong high grade ABS case
- Protective display window
- Long battery life
- Colour coded and shrouded 4mm sockets
- Screw locking battery compartment
- Theft deterrent 'SCHOOL' ammeter printed on each model
- Dimensions: 95 x 90 x 75mm
- Large bold 14mm LCD display
- Power: 1 x 9V PP3 size battery (inc.)
- Full 12 month guarantee

2 LASCELLS

2. Lascells Digital Voltmeters and Ammeters

These digital bench meters are housed in robust ABS and PVC cases. Featuring an ~50 minute 'auto off' to conserve battery life, and an LED indicator prompting battery change when necessary. Powered by a 9V PP3 battery.

Voltmeter:
- Range: 0 to ±20V DC
- Resolution: 0.01V
- Accuracy: ±2%
- Input impedance: 10MΩ approx

Ammeter:
- Range: 0 to ±10A DC
- Resolution: 0.01A
- Accuracy: ±2%
- Input impedance: 0.01Ω approx

Millivoltmeter:
- Range: 0 to ±1999mV
- Resolution: 1mV
- Accuracy: ±2%
- Input impedance: 10MΩ approx

Milliammeter:
- Range: 0 to ±1199mA
- Resolution: 1mA
- Accuracy: ±2%
- Input impedance: 0.2Ω approx
