2. Hi-Precision Balance

An easy to use, precise scale with a three key operation. The scale is ideal for weighing objects where precision is crucial at low capacities.

- Weighs in g, ct, oz, dwt, ozt, gn and mg
- 52mm diameter stainless steel weighing pan
- Impact-resistance ABS case with adjustable non-slip rubber feet and a level bubble
- Large 21mm LCD display with backlight
- Automatic backlight when weight is added to the pan
- Auto zero tracking ensures stable and repeatable readings
- Plus/minus weighing
- Overload warning display
- Low battery indication
- Auto power off – can be user disabled for continuous use
- Supplied with batteries, adapter, 50g (M2) weight and black plastic case
