3. Nickel-Electro Clifton® Drain Tap Assembly

To fit baths with serial number: 75100 and above.

Code	Description	Pack	Price
BAT7360	Drain tap assembly	Each	£69.15
BAT7364	Draining syphon	Each	£24.30

4. Polypropylene Floating Spheres

An ideal alternative to a lid for reducing thermal losses from open tanks of water. A blanket of hollow spheres covers 91% of the liquid surface, trapping air in the gaps which adds to the thermal insulation properties and reduces steaming with no impedance to workload.

Code	Pack	Price
BAT3110	300 spheres	£20.22
