2 AZLON®

1. Acrylic Burette Class B

- Useful alternative to glass burettes where breakages might be a problem, as acrylic is more robust than glass
- Suitable for most diluted aqueous solutions
- Not suitable for alcohols and organic solvents
- White graduations and a PTFE stopcock

Code	Capacity, mL	Graduations, mL	Pack	Price
★ **BUR7103**	50	0.1	Each	**£7.77**
