Are you a tegestologist?

There's four scientists in our collector series of coasters featuring artwork from our four cover editions. Want to complete the set?

Simply get in touch with your local Territory Sales Manager with one of the following to:

- **Arrange a visit or call** with your local SLS representative
- **Share a quick review** of a piece of equipment from this catalogue
- **Send us a short video** of you using your favourite bit of our kit

Contact details can be found on the inside front cover. Please let your dedicated Territory Sales Manager know which coaster design you'd prefer and they'll do their best to accommodate.
