4. uvex Pheos Safety Glasses

A modern style frameless design with integral brow guard offering a wide field of vision and additional eye coverage. Lenses are treated with uvex permanent lens coating technology: anti-fog coating on the inside of the lens, scratch resistant on the outside. The side arms combine hard and soft materials which gently grip the head and are designed to offer enhanced ventilation and reduced risk of fogging.

- Low profile side arms increase compatibility with other items of PPE
- 100% UV protection
- Clear lens suitable for most light environments
- The Pheos small is 8mm smaller than the standard version making it ideal for smaller faces
- EN166 1F KN CE
- Black/lime frame colour
