

## 1. Nickel Electro Clifton NE1V Oven Incubator

The NE1V oven/incubators provide a stable temperature environment for general purpose applications and features a digital PID controller for precision. The controls feature an auto alarm and the insulated chamber and door ensures low energy consumption.

- Dual temperature display, actual and set values
- Stainless steel chamber
- Gravity convection chamber
- Exhaust outlet
- Single insulated door, lockable
- Silicone door chamber seal
- Anti-bacterial paint exterior
- Stackable
- Levelling feet, adjustable at each corner
- Factory two point calibration, 37°C and 150°C
- Temperature range: ambient +5 to 250°C
- Temperature fluctuation (@37/150°C):  $\pm 0.3/\pm 0.5^\circ\text{C}$
- Temperature variation (@37/150°C):  $\pm 1/\pm 2^\circ\text{C}$

Code	Capacity, L	Supplied with	Shelf Positions	Int Dims, w x d x h, mm	Ext Dims, w x d x h, mm	Price
<b>OVE1018</b>	32	1 wire shelf	2	400 x 270 x 320	740 x 460 x 560	<b>£1097.45</b>
<b>OVE6840</b>	56	2 wire shelves	4	400 x 390 x 360	740 x 610 x 600	<b>£1355.00</b>

## 2. Genlab Dual Purpose Benchtop Incubator/Ovens

A range of dual purpose ovens/incubators combine the advantage of two temperature ranges in the same unit. Using bespoke firmware designed specifically for this chamber size, and a calibration class temperature sensor, we can offer accurate control up to 250°C without temperature overshoot. The same chamber can also maintain a steady 30°C constant temperature by simply adjusting the set point. Available in a variety of sizes and designed with both side and base mounted display options, to suit your exact needs.

- 10 sizes 6 to 200 litres (base mount controller design)
- 6 sizes 50 to 200 litres (side mount controller design)
- Temp range: ambient +8°C to 250°C
- Resolution 0.1°C
- On screen historical trending (48 hours)
- Manual or automatic overheat reset
- High accuracy Pt100A duplex sensors  $< 0.6^\circ\text{C}$
- Excellent stability  $< \pm 0.6^\circ\text{C}$

Code	Description	Capacity, L	No. of Shelves	Dims, w x d x h, mm	Pack	Price
