1. Multipurpose Stand

This premium set includes everything you need for your classroom or lab. All pieces are made from high-quality metal and built to last.

Includes:

- Powder coated support stand base (20 x 12.5 x 2.4cm)
- Stainless steel rod (60cm tall)
- Four prong, cork lined clamp with integrated bosshead (25cm long/14.5cm arm length)
- Metal support ring with integrated bosshead (6.5cm I.D. / 7.5cm O.D. / 21.5cm total length / 12.5cm length from rod to centre)

Code	Pack	Price
STA1414	Each	**£16.07**

2. Boss Head Clamps

For use with laboratory stands, this popular boss head is made of die casted alloy with a powder coat finish. It accepts rods up to 16mm in Ø at a right angle to one another. Metal thumb screws allow for adjustment. Measures approximately 11 x 3 x 3cm in size.

Code	Pack	Price
STA1480	Each	**£1.33**

3. Boss Head, Block Type

Aluminium die casted, accepts rod up to 16mm Ø. Holds rods at right angle with plastic head thumb screws.

Code	Pack	Price
EDU1150	Each	**£2.75**

4. Bossheads Heavy Duty

All metal construction to support more load. Wide pad metal screws make it easier to securely fasten the boss head to the support apparatus and clamp.

- Made from high grade zinc alloy, finished with non toxic powder coating
- Non-ferrous, rust free and long lasting use for any laboratory application
- Threaded metal, single piece clamping screws

Code	Description	Pack	Price
STA6014	Right angle	Each	**£1.99**
STA6016	Mini	Each	**£1.96**
STA6018	Heavy duty	Each	**£2.30**
STA6022	Square	Each	**£2.30**

5. Bosshead, Swivel

Zinc, die-cast, to hold rods up to 16mm. Two rods can be fitted at any angle.

Code	Pack	Price
STA1616	Each	**£2.15**
