3. Gratnells SortED Antimicrobial Inserts

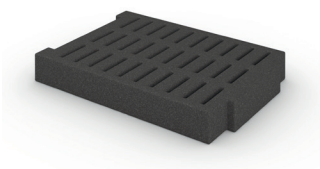

A range of removable modular tray inserts designed to fit Gratnells shallow and deep trays. SortED inserts can create up to 8 sections in a shallow tray and 16 sections in a deep tray, over two levels. Small and medium inserts hold a myriad of small parts. The large insert can be used to hold the smaller inserts or longer components in the top of the tray. The whole range can easily be stored in most Gratnells compatible classroom furniture.

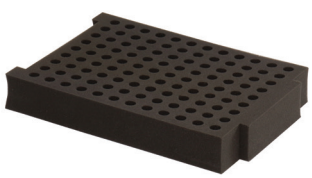

- Dishwasher safe
- Vibrant colours
- Treated with BioCote® antimicrobial treatment
