DURAN®

4. DURAN® Silicone Lids

- For covering and sealing laboratory vessels
- Reusability makes them an environmentally friendly, cost effective alternative to one time use covers and films
- Stretchable, thus suitable for a large number of vessel openings
- Slightly larger tab can be used as a writing field
- Available in different colours for clear differentiation/identification
- Easy to remove with the aid of a flap, both with and without gloves
- Resistant to both chemicals and heat
- Recommended for use at temperatures between -40 and +180°C
- Autoclavable (silicone lid only without glassware)
- Manufactured from silicone
