

1. Gratnells MakerSpace Trolley

The Gratnells MakerSpace trolley holds standard Gratnells trays on StopSafe runners, allowing easy and safe access to components. The tool hangers can be moved and changed to suit many objects. Comes complete with three deep (F2) trays, 12 shallow (F1) trays, 12 green mini bins, roll holder, 5 single hooks and 5 double hooks. You can customise your MakerSpace trolley with different tray combinations and additional hooks and bins.

- Robust steel frame and heavy duty lockable castors for reliable service
- Side and back panels with industry standard holes and slots for wide range of accessories
- Suitable for loads up to 85kg

“Excellent customer service experience. Specific named contacts; prompt service; and attention to detail. SLS Select Education helped with an order query and followed up regularly and reliably. A good catalogue range, and competitively priced. SLS Select Education are a pleasant contrast to our previous school lab supplier! Very happy customer.

– Toby, Oxford International College
