1. Soldering Kit & Accessories

The Antex SK8 soldering kit includes the reliable Antex CS 18W soldering iron with silicone rubber cable and 13A mains plug, ST4 bench stand, and a starter pack of lead-free solder. RoHS compliant.

Code	Description	Pack	Price
EL1064	Soldering kit	Each	**£58.43**
EL10160	Soldering iron stand Antex St4	Each	**£7.84**
EL1076	Sponge for soldering iron stand	Each	**£1.50**

2. Desolder Pump

Model DS1. A high quality tool with double 'O' ring washers for increased suction. The Teflon nozzle is removable for cleaning or replacement. Lightweight and easy to use. Overall length 200mm. Ø 20mm.

Code	Pack	Price
EL10162	Each	**£5.75**

3. Desoldering Braid

A specially impregnated wick draws up molten solder, leaving the joint clean and ready for re-soldering.

Code	Dims, w x l, mm	Pack	Price
EL1316	2 x 1500	Each	**£1.13**

4. Solder Lead Free

Omega lead-free solder is the ultimate in environmental health management. Manufactured in the UK from 96% tin, 3.5% silver and 0.5% copper. It is rosin-free, halide-free and has a flux content of 3%. A fast flow solder, with good solderability, minimal clear residue, and a melting point of 217°C. Supplied on 250g reels. RoHS compliant.

Code	Gauge	Pack	Price
EL1080	18	Each	**£50.06**
EL1082	22	Each	**£54.89**

5. Solder Lead Free Mini Reel

Lead-free solder from Antex, supplied in handy sized dispensers. This 0.8mm (approx 21SWG) solder wire is fast melting, easy-to-use and ideal for use on micro electronics, fine wires, and most general soldering operations.

- Melting point 207° to 217°C
- Tin content: 99.25%
- Silver: 0%
- Copper: 0.75%
- Length: 2m reel

Code	Pack	Price
EL1084	Each	**£3.99**
