

1. Palm Size Multimeter

The new generation UT131 series redefines the performance standards for entry-level digital multimeters. Our innovative industrial design ensures that these products can withstand 2 meters drop. The new LCD display layout provides a better user experience. This series ensures that users can work safely in CAT II 250V environment.

- 2mF capacitance test
- Clear LCD display
- Equipped with comfortable protective cover, test probe holder
- 2 meters drop test, precision protection
- Auto power off
- Auto backlight off
- Loud buzzer sound
- Knobs shift smoothly, in line with ergonomics
- Power: AAA 1.5V x2
- Standard accessories: English manual, test leads, protective case
- Product weight: 206g (battery included)
- Product size: 134 x 77 x 47mm
- Range selection: Auto
- Diode test: Yes
- Continuity buzzer: Yes
- Overload alarm: Yes
- Data hold: Yes
- Relative mode: Yes
- Low battery indication: Yes

SE375523	Each	£18.92

2. Digital Multimeter, Economy

Compact 3 1/2 digit LCD digital manual range multimeter. 20 ranges including transistor test, 10A current test, audible continuity test, diode test, and square wave 50Hz frequency test. Overload protection on all ranges except 10A DC current range. Low battery indication. Robust ABS housing, with protective yellow rubberised holster. A low cost multi-function instrument which offers excellent value for educational use. Supplied complete with safety test leads, battery and instructions. Designed in accordance with IEC1010 600V Cat II. CE approved. RoHS exempt.
