

1. Gratnells Rover Trolleys

The Gratnells Rover is a heavy duty metal trolley with pneumatic tyres, runners to hold Gratnells trays, PowerTrays or SmartCases and a strap to secure your trays for transportation.

Tough yet practical, the Rover has pneumatic tyres allowing easy movement over rough and uneven surfaces - perfect for external use between classroom blocks. Sold in several configurations, its lightweight ergonomic tubular steel framework makes the Rover easy to manoeuvre, even when full, and integral straps allow objects to be secured during transportation.

- Stylish curved silver frame
- 260mm pneumatic tyres for all terrains
- Five sets of runners allow a variety of possible tray combinations
- Strap to secure the trays and contents
- Supplied fully assembled.
- Dimensions: 1170 x 560 x 760 (H x W x D)

Please note: Trays must be ordered separately

Code	Pack	Price
SED1316	Each	£174.85

2. Gratnells Callero+ Science Trolleys

This brand new storage range from Gratnells is ideal for any science area. Boasting a sleek new design and premium specification, each trolley features high handles for easy mobility and a stylish silver trim to match any science lab or prep-room.

What's more, with new super-tough castors, you can be sure that when transporting equipment from room to room, even building to building, everything is safe and secure. With four tray heights in 30 colours, as well as a range of accessories including inserts, lids and labels, you can completely customise your storage to suit you.

Specialist Gratnells column laboratory trolleys with trays in your colour choice. Fitted with StopSafe runners and robust reinforced castors. Supported by a 5 year manufacturers warranty.

Please specify the tray colour when ordering:

Frame: grey (default)

Tray: choice of 25 colours, red (default)
