

WHY PAY MORE?

At SLS Select Education, we offer the widest range of products at the best prices all year round - no short term gimmicks, just every day value.

Price comparison against:

1. Molymod Organic Pupil Pack
2. Colorimeter (4 Pack)
3. Lascells Ripple Tank
4. Motic 2802 Microscope
5. Clifton 14L Water Bath

The image shows a shopping basket containing several pieces of laboratory equipment. Surrounding the basket are numerous price tags, each representing a different product and its price. The tags are color-coded and include the following information:
